West Clare Supplier Directory

Supporting the 2026 Irish Open at Doonbeg

Connecting event organisers and contractors with trusted local providers throughout the West Clare Peninsula.

Supporting Local. Supporting West Clare.

This directory has been developed by the Kilrush Chamber of Commerce to maximise local economic participation in the 2026 Irish Open and to showcase the breadth and quality of services available throughout the West Clare Peninsula.

The 2026 Irish Open presents a unique opportunity to highlight the businesses, services, and communities that make West Clare a vibrant place to live, work, visit, and invest. By encouraging local sourcing wherever possible, this initiative aims to ensure that the benefits of the tournament extend well beyond the event itself.

Welcome from the Kilrush Chamber of Commerce Steering Committee

On behalf of the Kilrush Chamber of Commerce Steering Committee, we are delighted to present this West Clare Supplier Directory in support of the 2026 Irish Open at Doonbeg.

The Irish Open represents one of the most significant international sporting events ever hosted in our region. Beyond showcasing world-class golf on a global stage, it presents an exceptional opportunity for local businesses, service providers, tradespeople, hospitality operators, retailers, and professional service firms throughout West Clare.

This directory has been developed to help event organisers, contractors, suppliers, operational partners, media teams, and visitors identify trusted local businesses capable of supporting the delivery of a successful international event. By making it easier to source goods and services locally, we hope to maximise the economic benefit of the Irish Open across our communities and strengthen connections between local enterprises and national and international event partners.

The businesses featured in this directory represent the diversity, quality, and professionalism that exists throughout the West Clare Peninsula. From accommodation providers and catering services to transport operators, construction trades, event infrastructure specialists, retailers, and professional service providers, each organisation has demonstrated a willingness to support the opportunities created by the Irish Open and future events in our region.

The geographic area covered by this directory includes Kilrush, Kilkee, Doonbeg, Cree, Cooraclare, Carrigaholt, Loop Head, and the surrounding communities that make West Clare such a vibrant and welcoming place to live, work, visit, and invest.

We encourage all event partners to consider local suppliers wherever possible and to engage with the businesses listed within this publication. By working together, we can ensure that the benefits of the Irish Open extend well beyond the tournament itself and leave a lasting positive impact on our communities and local economy.

We would like to thank every business that participated in this initiative and contributed information for inclusion in this directory. Your support demonstrates the strength, resilience, and collaborative spirit of the West Clare business community.

We look forward to welcoming visitors, organisers, suppliers, contractors, and participants to our region and wish everyone involved in the 2026 Irish Open every success.
